

## Mid-week at LABC

There is much that goes on at LABC during the week. But if there is only one thing you are able to plug into outside of Sunday we would encourage you to attend home groups and the prayer meeting. The focus of these times is spiritual growth as we seek to grow together in maturity in Christ.

If you are interested in joining a home group, please speak to one of the elders (Matt, Keith C).

The central prayer meeting should be the heart beat of any local church as we gather as children to bring our needs to our loving heavenly father. We gather at the church building for our central prayer meeting from 8pm-9pm. Details below:

### Sunday mornings: Mark

Making sense of our world and our lives can be baffling at times. What is going on, how do the different pieces fit together?

Mark's gospel forces us to look at Jesus. He tells His story. This is a book made up of episodes; of simple, beautiful, at times disturbing things that Christ did. Scene after scene, it moves at pace, and tells a story which strangely and powerfully not only teaches us about Jesus but introduces him to us, and us to him. In fact you will discover, through the pages of this gospel, that he knows you and loves you. Mark says, 'I've got someone who I want you to meet, and if you let him, he'll put the pieces of your life into place.'

### Sunday afternoon/evenings

As a church, we believe that all of Sunday is the Lord's day and so meet at the beginning and end of the day. On the first Sunday of the month, we meet at 4pm for an all-age prayer meeting which is followed by tea and toast. This is a great time as a church family consisting of young and old to come together as we seek God's face in prayer.

On the third Sunday of the month we have a Sunday evening service at 6pm where, as a church, we partake of the Lord's supper as we remind ourselves of Christ's love for us.

On the remaining Sundays, in our 6pm evening service, we will consider the issue of trials and suffering in the Christian life. Looking at King Hezekiah's experience in Isaiah 38, we'll consider how we can walk well through the valleys in our lives.
